**Course Descriptions—Summer 2019 (2/26/19)**

**BIB 303 IP            Judgment and Justice (MDiv/MA/MAML/MAPL)**

**BIB 703 IP            Judgment and Justice (STM/DMin)**

“If any harm follows, then you shall give life for life, eye for eye, tooth for tooth, hand for hand, foot for foot, burn for burn, wound for wound, stripe for stripe” (Exodus 21:23-24). “Indeed, God did not send the Son into the world to condemn the world, but in order that the world might be saved through him. Those who believe in him are not condemned; but those who do not believe are condemned already, because they have not believed in the name of the only Son of God” (John 3:14-15). Scripture abounds with images of judgement and justice, images that have inspired human imagination and sparked human thinking for centuries. In this course we will engage deeply with selected scriptural depictions of judgement and justice and discuss how they support or problematize current theologies of atonement and systems of criminal and civil justice. *MDiv Bible at Crossroads of Church and Culture requirement or Bible or free elective. [Prerequisites BIB 100 Language of the Early Church, BIB 201 Reading and Telling the Story].*
